

# Steering Committee Meeting

## 1/25/2020

<b>Topic</b>	<b>Brief Synopsis</b>	<b>Timeline</b>
<b>Communication</b>	<p>Switching over Coalition to Google Drive as primary file sharing means. This will allow Coalition Members to collaborate more quickly throughout the state.</p> <p>New Password Protected Members section of website is up. Plan is to add more content as we move forward.</p>	On-going
<b>By-Laws</b>	<p>Steering Committee is in the final process of updating By-Laws for the Coalition.</p> <p>Original By-Laws dictate a reading of the laws at one meeting and vote at the next meeting. The Steering Committee felt it was within the spirit of the original founders, and with the advancement of new technology, to place the By-Laws on-line through the website to reach more members.</p> <p>We will have a final draft up on the Members Section of the website for members to vote.</p> <p>This change will be announced during the meeting today.</p>	Final Draft from Steering Committee to be placed on Website February 29th for review/vote.
